

Can't Give Up Now

1. verse
Lead 1
There will be mountains that i will have to climb
And there will be battles that I will have to fight
Victory of defeat, it's up to me to decide
But how can I expect to win if I've never tried

Chorus
I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
And I don't believe
He's brought me this far
to leave me

2. verse
Lead 2
Never said their wouldn't be trials, never said I wouldn't fall
Never said everything would go the way I want it to go
But when my back is against the wall, and I feel like all hope is gone
I'll just lift my head up to the sky and say help me to stay strong

Chorus
I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
And I don't believe
He's brought me this far
to leave me

Bridge
Lead 1&2
I know You didn't bring me
out here to leave me lonely
even when i can't see clearly
I know that Your are with me so I can't

Wâuu Wâuu Wâuu
Àuuu Uhhh Àuuu

Chorus
I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
And I don't believe
He's brought me this far
to leave me
