

He Paid the Price

Verses
Leads

What can I say, how can I repay,
the sacrifice He made for me;
He died upon the cross, paid the cost,
so I wouldn't be lost, now I have the victory

Jesus shed His blood for me,
way back on Calvary, washed all my sins away
Now I've got a right to the tree of life,
because He lives - I'm alive today

Chorus

He died that I might have life,
and life more abundantly;
sacrificed, He paid the price for me

Jesus paid a debt He did not owe, I owed a debt I could not pay

what a sacrifice He made, (modulation) He made

paid the price back on Calvary
