

Put Your Trust

Chorus Put your trust in Jesus
Just have faith keep holding on
Yes – there will be trials and tribulations
Put your trust in God - keep holding on

Chorus

1. Verse *You must be like Daniel trapped in the lion's den
Daniel never doubted God, but he had a faith within
If you can take it, I know you can make it
Put your trust in God - keep holding out*

Chorus

2. Verse *I went to the doctor, that doctor shook his head
According to the mans report I knew I should be dead
God reached down and saved me - with His blood He healed me
I'm a trust in God keep holding on*
